Scoring:

- **Piety** - hits on the WHITE areas point values are like a normal target. Starting from the outer ring; 1, 2, 3, 4, 5. The black small bullseye is worth 8 points. No negatives for hitting RED spaces. Every Arrow counts for the block it hits, including repeat hits.
- **Pride** - hits on the RED areas point values are double the normal value. Starting from the outer ring; 2, 4, 6, 8, 10. The black small bullseye is worth 16 points. Hits to the WHITE spaces score negative the normal value; 1, 2, 3, 4, 5. Each block may only be hit once including the bullseye. Repeat hits do not count.

Arrows breaking the line score in the Archers favor.
